

Getting to the Heart of Conflict

Gather & Grow Kids Conference Information

Thank you for registering a child for the kids conference portion of the April 2024 EBC/GBC all-church conference! It is an honor and a privilege to partner with you in children's biblical training and education. We do not take that responsibility lightly. All volunteers on our team pass a background check and are trained in leading children following the example of Christ's love and grace.

We suggest a donation of \$5.00 per family to help cover costs of materials and snack supplies.

Nursery, babies and toddlers 0 - 2 years old

Please bring any special items your baby/toddler may need, i.e. pacifiers, bottles, sippy cups, etc. All standard nursery procedures for EBC Children's Ministries apply. See the Nursery Greeter on duty for more details.

Gather & Grow Kids Conference, children 2 years old - 5th Grade

The schedule below includes required "drop off" and "pick up" times at the double doors of the Fellowship Hall in the north building. **Please make every effort to be on time;** this is the simplest and most important way you can support our volunteers. If your child needs you during the conference, you will receive a text/phone call to the number you listed in their registration. In that event, please return to the Fellowship Hall for more information.

Nursery Policy Summary, April Church Conference

- If your child is sick, please keep them with you or at home.
- Each child is assigned a pager number at check-in. If the pager glows/buzzes, return to the nursery for more information regarding your child's needs.
- **Only nursery volunteers are allowed in the nursery;** siblings of checked-in kids must remain outside. There may be a special case that would allow a parent access, but please talk with the greeter beforehand.
- Cheerios are the only snack given in the nursery. The women's lounge across the hall in the women's restroom is available for nursing; the main foyer is also available for giving children additional snacks.

Please pick up children from the nursery for lunch break on Saturday at 12:10.

Our volunteers will be taking a break and returning at 1:00pm.
